

Hello

Just a wee update from Mr Irvine and the skiing party in Alpe d'Huez

More to follow

*Monday Evening, Alpe d'Huez. All 99 pupils on the Highland Schools Ski Trip - including 32 from Charleston - have just had a superb first day on the pistes.*

*With perfect weather and masses of soft snow, they have had ski lessons this morning and afternoon and are progressing well AND thoroughly enjoying themselves.*

*A mixture of sunny days and even more snow is forecast for the rest of the week; things are looking good!*
